

### REMARKS

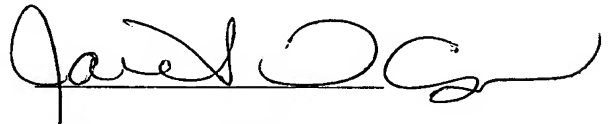

The listing of claims presented in this paper is to replace the listing of claims included in the Response to the Official Action of February 7, 2008 mailed to the USPTO on May 7, 2008. It is assumed that those claims have been entered.

At present, Claims 1, 2, 4, 5, 8-11, 15, 19 and 25-30 are in this application.

In the previous response, it was stated that claim 19 was cancelled. It is clear based on the list of claims filed with the response that claim 19 was not cancelled as it was included in the list of claims and is included in this paper. In addition, claims 25-30 were included in the claims filed in the response and are present in this paper.

If there are any questions and comments regarding this matter, please contact the undersigned.

Respectfully submitted,
